

New Product from **PROTEKTIVE PAK** Shipper Saver Plastek™ Storage Containers

**SAVE valuable space and money!
No more shipping or storing “air”**

Unlike injected molded totes, these Plastek storage containers can be unassembled to save shipping costs. Can be knocked down for storage saving valuable space and money.

Unassembled

Assembled

Lid (Optional)

Plastek™ Features

- Provides physical protection with conductive material providing reliable path-to-ground
- Includes wire frame for extra strength
- Product ships flat – easy assembly
- Rtt: 10E2 – 10E4 ohms
- Made in America

Options

- Conductive Plastic Handles available
- Static Dissipative Foam for bottom, providing ESD and shock protection
- Document Holders
- Lid

Item	Description	1-24	25-49	50-99	Additional Quantity Price Breaks Available
